

## Van der Valk BeachClub 660 Flybridge

Make:	Van der Valk	Hull Material:	Aluminum
Model:	BeachClub 660 Flybridge	Draft:	5 ft 3 in
Length:	67 ft 4 in	Number of Engines:	2
Year:	2020	Fuel Type:	Diesel
Condition:	New		

### Description

---

#### THE BEACH SIDE OF LIFE

Van der Valk proudly introduces the truly innovative, patent pending BeachClub 660 Flybridge.

By ingeniously locating the Volvo IPS system in the same area as the swim platform, an extraordinary amount of exterior and interior space is freed up onboard!

As a result, the BeachClub 660 Flybridge boasts the same amount of space typically found on yachts of much larger size.

		Holding Tank Capacity:	132 gal
		Number of Cabins:	3
		Number of Heads:	2

## Propulsion

---

### Engine #1

Engine Make: Volvo Penta      Power: 800 hp  
Engine Model: D13

### Engine #2

Engine Make: Volvo Penta      Power: 800 hp  
Engine Model: D13

## Concept

---

The Van der Valk BeachClub 660 Flybridge was developed in partnership with designer Cor D. Rover and Ginton Naval Architects. The ultimate aim for all was to greatly optimize both interior and exterior space onboard.

The BeachClub 660 Flybridge was built to the highest standards of Dutch quality and detail.

## Al Fresco LifeStyle

---

The BeachClub 660 Flybridge features three (3) main outdoor areas to enjoy the “al fresco lifestyle”:

- An enormous foredeck area offers various layout options, including a Jacuzzi.
- The cockpit deck is an impressive location, and includes an exterior steering station.
- The beach club aft features a smart swim platform, and a sun lounge area.

## Light and Bright

---

The overall spacious ambience is enhanced by generous use of glass throughout, with panoramic views from the two lounges and the owner's suite. There are also numerous glass inserts in the hull, giving an additional air of class to an exterior profile which exudes modern elegance.

The BeachClub 660 Flybridge features two (2) salons. The spacious upper lounge has an inside steering position and panoramic views, while the huge lower deck lounge includes a galley and dining area, all with direct access to the swim platform via curved glass sliding doors.
