Ramaya 3

M/Y Ramaya 3, a Sunseeker 80 Predator 2013

Ramaya 3 is the only pre-owned 80 Predator available in the USA market. With a top speed of 34 knots, and zero speed fin stabilizers, this impeccably-styled sport yacht will get you from point A to B both quickly and comfortably.

The exterior areas on Ramaya 3 are exceptional, including a large cockpit with sunlounge, and a jacuzzi with sunpads forward, creating the perfect areas onboard for entertaining friends and family at sea.

The salon is highlighted by a retractable carbon fiber roof and large hullside panoramic glass. The helm gives both captain and passengers an open cockpit feel – ideal for admiring the surroundings when you cruise into port. And the galley can be closed-off to prepare incredible meals for guests.

The master stateroom offers space enough to both relax and to get work done while underway. Lastly, Ramaya 3's toy storage garage and countless storage compartments makes her not only sporty, but capable of overnight island-hopping excursions.
